## RINGS SIZE GUIDE

# FIND YOUR PERFECT MATCH

- 1.** Please print the Ring Size Chart, in order to find your perfect fit. To ensure the guide is printed to actual size choose "actual size" in the size option" before printing. The Rebecca Elbek ring size chart must be printed on an **A4 size** page

- 2.** Once printed check that the Ring Size Chart has been printed properly, take a ruler and measure the sample below. It should measure exactly 2 cm.

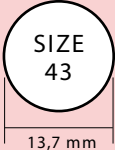

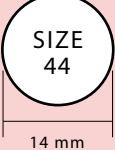

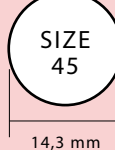

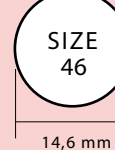

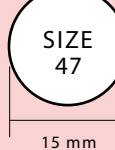

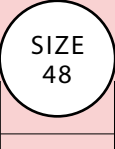

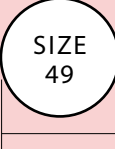

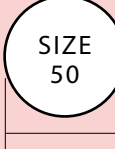

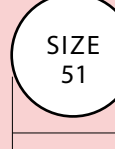

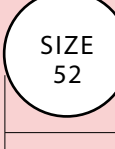

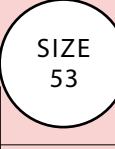

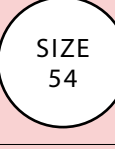

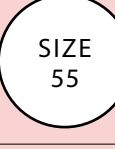

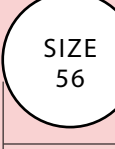

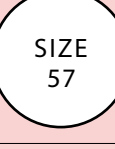

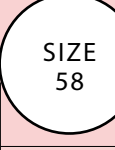

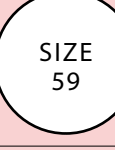

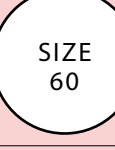

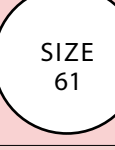

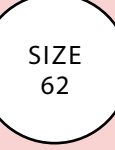

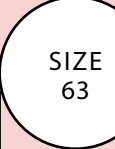

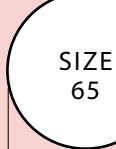

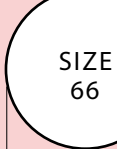

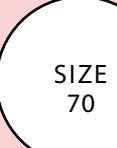

- 3.** Now place a ring that fits you over the circles, lining up the inner edge of the ring to the circle that matches your ring size. If your ring is between two sizes, we recommend choosing the larger size.
